## DIVOC 20.0 / Cabin

Spray booth for full body disinfection made of high quality materials and the highest safety standards in the EU.

### WHY CHOOSE US

Express full body disinfection. The booth is suitable for both indoor and outdoor use, even in harsh winter conditions.

- ★ Option for manual disinfection outside of the cabin, suitable for wheelchairs and prams
- ★ Automatic start when a person enters (does not require permanent staff)
- ★ Automatic dispenser for hand disinfection with a capacity of 2000 ml, enough for more than 1000 people.
- ★ Providing fast and effective disinfection for your employees and customers
- ★ An effective solution that meets the increased requirements to sanitation and disinfection
- ★ Compact & modern design, suitable for any entrance of buildings with a large flow of people

8 sprays with the option to regulate flow & pressure
